

20V

40V LEAF BLOWER VACUUM, DOUBLE CHARGER AND 2 × 6 AH BATTERIES

VIBCAS402B6CD

Garden Pack including a 40V battery blower vacuum designed for clearing leaves, grass clippings and light debris in gardens, driveways and outdoor areas. The tool allows both blowing and vacuum functions, supporting efficient cleaning and collection of garden waste. The set includes a 40V blower vacuum, a 20V dual fast charger and two 6Ah batteries, providing extended operating time for outdoor maintenance tasks. The cordless battery system offers mobility and convenience when working around gardens and exterior spaces. The ergonomic design improves handling and control during operation. The balanced construction allows comfortable use during regular cleaning of lawns, paths and garden areas.
