

EGO IRON PACK: BRUSHLESS ANGLE GRINDER 125MM, FAST CHARGER, 4AH BATTERY, MODULAR STORAGE TOOL BOX TOP

PACK13EGOIRON

This PACK (PACK13EGOIRON) comes with a Brushless Angle Grinder 20V - 125MM that guarantees fast cutting and grinding with the necessary durability, adapting to a wide variety of applications, from metal to masonry. It is complemented by a 20V 4Ah EGO battery that guarantees extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the battery efficiently. For transport and organisation, this set comes with a modular storage tool box top, which ensures transport, protection, and easy access to your tools.

Key features

- > The Brushless Angle Grinder 20V - 125MM can reach a speed of 10000rpm and is compatible with 125mm discs.
- > This angle grinder is equipped with Brushless motor technology and includes an adjustable auxiliary handle with three positions (right-side, left-side, and top position).
- > The 20V 4Ah EGO battery has no memory effect thanks to its lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. It is equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device.
- > The modular storage tool box top is included in the IRON range and can be complemented by other iron tool boxes. It features metal front fasteners, a reinforced metal handle and a modular system with easy-click attachment/detachment. It is impact-resistant and has a maximum load capacity of 17 litres or 23kg.
