

BANANA BILHOOK

VI1670

The banana pruning hook is manufactured from tempered steel, ensuring durability and reliable performance in manual pruning and cutting tasks. Its curved blade shape allows controlled, accurate cuts on branches and dense vegetation. Designed for good cutting control, it is suitable for vineyards, orchards, fruit trees and general land maintenance, offering a dependable solution for regular agricultural use.

Key features

- > Tempered steel blade for durability
- > Banana-shaped curve for precise pruning
- > Good control during branch cutting
- > Suitable for vineyards and orchards
- > Robust construction for regular use

Specifications

Dimensions	145 x 110 x 280 mm
Material	Hardened steel
Weight	0,14 kg
