

VARNISHED HANDLE FOR HATCHET

VI4030E

The Varnished Wooden Handle for Hatchet is designed to provide comfortable and efficient handling. With a diameter of 42 x 26 mm and a length of 370 mm, it offers a firm and secure grip, essential for effective hatchet work. The 210g weight makes the handle lightweight, reducing fatigue during prolonged use. Made from varnished wood, it combines durability and wear resistance, ensuring a long useful life. Applying varnish not only protects the wood, but also improves the finish, giving it a refined and elegant appearance. Ideal for those looking for a reliable and quality handle for their cutting tools.
