

GRASS TRIMMER 22CM 350W

VIAC350

Ideal for mowing areas around gardens, pavements and other hard-to-reach areas, this machine allows you to trim the grass with precision around fixed objects such as fences, walls, and posts. It is a lightweight machine, highly effective for mowing in areas you cannot reach with a lawn mower.

Key features

- > **Cutting precision:** Ideal for finishes in hard-to-reach places, guaranteeing even edges;
- > **Ergonomic design:** Makes it easier to manipulate, providing comfort and reducing fatigue during prolonged use;
- > **Versatility:** Suitable for a variety of surfaces and materials, from grass to small bushes and fences;
- > **Lightweight:** Easy to transport and manoeuvre, even in rough terrain or small spaces;
- > **Low maintenance:** Equipped with durable, easy-to-replace blades, minimising downtime.

Specifications
