

ASH VACUUM CLEANER 4L - 800W VIAC4

Mini 800W Ash Vacuum Cleaner (MINUUM) with a 4L metal container, ideal for vacuuming wood pellets and also other places with fine ash debris (fireplaces, barbecues and cook stoves). It has a suction power of 15kPa and is equipped with a metal tube that allows access to the most difficult to vacuum areas. It also includes a hepa filter and a cloth filter bag, as well as metal latches for easier and quicker cleaning. This vacuum cleaner is versatile and easy to handle.

Key features

- > Suitable for vacuuming: Pellets, Fireplaces, Barbecues, Wood cookers;
- > Hepa filter for a healthier environment without impurities;
- > Practical and quick cleaning;
- > Curved metal tube to reach hard-to-reach areas;
- > Lightweight, cordless and easy to handle;
- > Practical handle for easy transport;
- > Easy emptying of the tank .
