

GARAGE STORAGE CABINET COMBO VIAGC

With a lacquer finish, VITO cabinets are highly resistant to scratches and stains, guaranteeing exceptional durability. The welded structure provides robustness, while the adjustable shelves in 1" intervals allow you to customise the storage space according to your needs. Fully lockable, these cabinets offer ideal security for all your tools and items. Equipped with magnetic door latches and adjustable feet, they will stay level and stable even on uneven floors. The rear slots make it easy to fix to the wall, preventing unevenness and increasing safety. The 1" wood worktop is perfect for craft work, offering a solid, sturdy surface for your projects. This range of COMBO cabinets allows you to organise and transform your garage with style and efficiency, making it the right choice for anyone looking to optimise their space with quality and functionality.
