

NAIL & STAPLE GUN 575W

VIAP575

The VITO 575W electric staple and nail gun is a robust and versatile 2-in-1 tool, designed for carpentry, construction, decorating, and DIY projects. Ideal for fastening wood, textiles, fences, and other materials, it is suitable for both professional environments and intensive home use. With an ergonomic body and rubber coating for enhanced comfort and control, this tool features a durable metal magazine compatible with nails from 15 to 32?mm and staples from 15 to 25?mm. The built-in safety trigger ensures secure operation, while the adjustable impact control lets you tailor the power to the material – from thin sheets and fabrics to denser materials like solid wood or walls. Its 575W nominal power and firing speed of 20 shots per minute ensure strong performance for demanding tasks. The 2-metre power cord offers mobility, and the compact design (330?mm high, 85?mm wide, 345?mm long) allows easy handling in tight spaces. Class II insulation provides added safety during operation. Perfect for workshops, building sites, furniture assembly, or home maintenance, this stapler delivers fast, precise, and reliable results.

Key features

- **Metal magazine;**
- **Protective rubber coating;**
- **Contains safety catch;**
- **Adjust the impact (“-” for thin and light materials such as sheets and fabrics and “+” for thick and hard materials such as wood and walls);**
- **575W power;**
- **Up to 20 shots per minute;**
- **15–25 mm staples;**
- **15–32 mm nails;**
- **100-fastener magazine;**
- **Impact adjustment;**
- **Safety mechanism;**
- **Non-slip grip;**
- **Staples and nails included.**

Specifications

Capacity	**100**
Coating	**Non-slip rubber grip**
Composition	**Stapler, staples 19mmx300, nails 25mmx100, hex key**
Nail length	**15 - 32 mm**
On/off switch	**Yes**
Power cord length	**2 m**
Safety device	**Safety lock against accidental firing**
Sound power level (LWA)	**92 dB (A)**
Staple length	**15 - 25 mm**
Height	**255 mm**
Length	**260 mm**
Product weight	**1.700 kg**
Weight with packaging	**3 kg**
Width	**65 mm**
Rated power	**575 W**
Supply voltage	**230 V AC ~ 50 Hz**

Shots per minute	**20**
Sound pressure level (LPA)	**81 dB (A)**
