

20V

20V DRYWALL SCREWDRIVER WITH AUTO FEED, 3AH BATTERY, CHARGER AND CASE

VIBCAGCB20B3CS.AMM

VITO`s Professional Pack with a Brushless Drywall Screwdriver (VIBCAGCB20), an Autofeed Screwdriver Attachment, a 3Ah battery and a 20V Fast Charger. Ideal for quick and precise fastening in drywall. VITO`s Pack was developed for professionals seeking precision, speed, and efficiency in assembly and fixing work on drywall. The 20V Brushless Screwdriver (VIBCAGCB20) offers superior performance with its brushless motor, providing greater durability and less maintenance, ideal for intensive use. The Autofeed Screwdriver Attachment significantly increases productivity by enabling continuous serial screwing, maintaining control with the adjustable depth regulator and screw size selection guide. With a 20V 3Ah battery, this pack ensures extended autonomy and practicality, while the Fast Charger allows you to charge the battery efficiently. For transport and organisation, this set comes with a modular storage tool box top, which ensures transport, protection, and easy access to your tools. Compatible with all tools in VITO`s range, this pack guarantees versatility and efficiency in any working environment.

Key features

- > Brushless motor for greater durability and efficiency;
- > Autofeed Screwdriver Attachment for fast and uniform applications;
- > Depth adjustment and reversible rotation;
- > Variable speed up to 4400 rpm for precise control;
- > Lightweight and ergonomic design (0.99 kg) ideal for extended use;
- > 3Ah battery with charge test and 20V Fast Charger;
- > Compatible with the entire VITO 20V range.
- > The modular storage tool box top is included in the IRON range and can be complemented by other iron tool boxes. It features metal front fasteners, a reinforced metal handle and a modular system with easy-click attachment/detachment. It is impact-resistant and has a maximum load capacity of 17 litres or 23kg.
