

20V

CORDLESS BRUSHLESS WET AND DRY VACUUM CLEANER 20V

VIBCASLB20SFL20

The cordless wet and dry vacuum cleaner from 20V range is ready for all cleaning tasks,whether indoors or outdoors. It has an excellent suction power due to its 12Kpa/18Kpa and two speeds, benefiting froma brushless motor (without carbon brushes) providing increased efficiency and durability. This vacuum cleaner is distinctive because it is powered by a battery which can be fittedin several appliances from the 20V range. It is compatible with 2Ah and 4Ah batteries,which can be purchased separately. The appliance is equipped with a hepa filter, a 20-litre stainless steel tank, a suctionhose, a steel telescopic tube, a suction brush, a round brush and a crevice nozzle. This model is an ideal complement for complete cleaning, combining flexibility andversatility.
