

20V

20V 20L WET/DRY VACUUM WITH BATTERY AND CHARGER INCLUDED VIBCASLB20SFL20B4C

This PACK comes with a Brushless Wet and Dry Vacuum Cleaner 20V - 20L with an HEPA filter which enables powerful and effective vacuuming of various debris and dirt. It is complemented by a 20V 4Ah battery that guarantees extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the battery efficiently.

Key features

- > The Brushless Wet and Dry Vacuum Cleaner stands out for its exceptional suction capacity, which can reach up to 18Kpa thanks to its two adjustable speeds. This machine includes a 20-litre stainless steel tank, ideal for storing large quantities of waste, both liquid and solid.
- > This Vacuum Cleaner model is equipped with an HEPA filter to capture even the smallest particles, a suction hose, a steel telescope tube to reach the most inaccessible places, a floor brush, a round suction brush and a special nozzle for tight spaces.
- > The 20V 4Ah battery has no memory effect thanks to its lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. It is equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device.
