

20V

IRON PACK: BRUSHLESS COMBI DRILL 20V, FAST CHARGER, 4AH BATTERY, MODULAR STORAGE TOOL BOX TOP VIBCBSFL20B4CSMM

This PACK comes with a Brushless Combi Drill 20V that provides the power needed to drill quickly and precisely in a variety of materials. It is complemented by a 20V 4Ah battery that guarantees extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the battery efficiently. For transport and organisation, this set comes with a modular storage tool box top, which ensures transport, protection, and easy access to your tools.

Key features

- > The Brushless Combi Drill 20V is equipped with a brushless motor and a quick-release metal chuck with spindle lock (capacity between 2 and 13mm).
- > This Combi Drill model has two no-load rotational speeds (0 - 500rpm; 0 - 2000rpm), as well as an impact drilling mode with two rates depending on the selected speed (0 - 7500ipm; 0 - 30000ipm).
- > The 20V 4Ah battery has no memory effect thanks to its lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. It is equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device.
- > The modular storage tool box top is included in the IRON range and can be complemented by other iron tool boxes. It features metal front fasteners, a reinforced metal handle and a modular system with easy-click attachment/detachment. It is impact-resistant and has a maximum load capacity of 17 litres or 23kg.
