

EXTENSION POLE FOR MINI CHAINSAW - VIBCMPC20

VIBCMPC20.E

VITO`s Extension Pole for Mini Chainsaw is ideal for pruning at height with control and safety. With an adjustable length of between 1.9 and 2.4 meters, this extender allows you to reach higher branches, adapting to different types of gardening work. Its robust structure guarantees stability when carrying out tasks, providing greater autonomy and efficiency when maintaining vegetation. Compatible with the VITO Mini Chainsaw, this extender allows you to optimize pruning work safely and comfortably. In addition, thanks to the common EGO battery range, the same battery can be used in several of the brand`s machines, promoting versatility and autonomy.

Key features

- > Adjustable length, allowing you to reach vegetation at different heights;
- > Greater safety when pruning at height, thanks to the reduced risk of accidents;
- > Greater autonomy and reach when maintaining trees, high hedges and hard-to-reach areas;
- > Sturdy structure, guaranteeing stability and ease of handling;
- > Powered by a standard battery from the EGO range (2Ah to 6Ah);
- > Compatible with VITO`s Mini Chainsaw (VIBCMPC20).

Specifications

Dimensions	2100 x 80 x 120 mm
Length	1,9M - 2,4M
Net weight (g)	1,6 kg
Voltage	20V DC
Weight with packaging	2,4 kg
