

20V

AIR COMPRESSOR 20V VIBCPCSFL20

The EGO 20V Air Compressor Gun VITO (VIBCPCSFL20) is ideal for high-pressure tasks such as inflating car tires, bicycles, balls, and other similar items. Practical and versatile, it reaches a maximum pressure of 7 bar/100 psi, allowing it to be used anywhere. It is equipped with 3 buttons to adjust the air pressure and a digital display that shows the values in BAR/PSI, suitable for each application. Additionally, it includes a front LED light that illuminates areas with low visibility, making it easier to use in low-light conditions.

Key features

- > Maximum pressure of 7 bar/100 psi: Ideal for inflating car tires, bicycles, balls, and other items that require high pressure.
- > Practical and portable: Can be used anywhere, providing flexibility and convenience.
- > LED lighting: Equipped with a front LED light, it makes working in low-visibility areas easier, ensuring greater precision.
- > 3 buttons to adjust air pressure: Allows precise control of the pressure, adapting to different needs.
- > Digital display: Shows pressure values in BAR/PSI, making monitoring easier and ensuring the correct pressure is always achieved.
- > Easy to use: The intuitive design makes this compressor gun an efficient and simple tool to operate in any situation.

Specifications

Height	210 mm
Length	170 mm
Product weight	0.778 kg
Weight with packaging	0.938 kg
Width	75 mm
Insulation class	II
Voltage	20 V DC
Maximum pressure	7 bar 100 psi
Motor type	Brushless
Sound power level (LWA)	91,5 dB
Sound pressure level (LPA)	80,5 dB
