

20V

BLOWER/VACUUM CLEANER 20V VIBCSA20

The VITO 20V cordless blower/vacuum (VIBCSA20) combines power, portability, and convenience for efficient cleaning. Powered by a 20V motor reaching 18,000 rpm, it provides strong airflow while maintaining quiet operation. Equipped with a rubber nozzle and collection bag, it easily switches between blowing and vacuuming functions. With three adjustable speed settings and a lightweight design (1.4 kg), it's perfect for quick indoor or outdoor cleaning tasks.

Key features

- > 2-in-1 cordless blower and vacuum.
- > 20V motor with up to 18,000 rpm.
- > 3 adjustable speed levels.
- > Rubber nozzle for precision control.
- > Includes dust and debris collection bag.
- > Lightweight and easy to handle.
- > Ideal for small spaces, gardens, or workshops.
