

FOLDING 2-STEP STOOL

VIBEM

The VIBEM 2-step ladder stool is a robust and practical solution for those who need stable support at low heights. Made of steel and featuring extra-wide, non-slip steps, it ensures safety during maintenance, organization, and assembly tasks in both professional and home environments. It includes a safety bar and complies with EN 131 standards. Its foldable design makes it easy to carry and store.

Key features

- > Complies with EN 131 standard for certified safety.
- > Extra-wide, non-slip steps for maximum stability.
- > Lightweight and durable foldable steel frame.
- > Integrated safety bar to prevent falls.
- > Perfect for workshops, warehouses, shops, and home use.
- > Working height up to 0.90 m and only 5.0 kg in weight.
- > Compact and easy to store after use.
