

HSS TWIST DRILL BIT - 2 UN. VIHS22

The VITO professional milled HSS drill bit ensures high precision and durability for demanding drilling tasks. Made from HSS 4341 high-speed steel and compliant with DIN 338 standards, it delivers excellent performance on ferrous and non-ferrous metals, stainless steel sheets and plastic materials. Its 135° split-point tip allows fast, clean drilling without slipping, even on hard surfaces. Perfect for professional and industrial use, this drill bit offers high heat and wear resistance, ensuring consistent performance and long service life.

Key features

- > HSS 4341 high-speed steel for strength and durability.
- > DIN 338 compliant for accuracy and reliability.
- > 135° split-point tip for fast, precise drilling.
- > Suitable for metals, stainless steel, alloys and plastics.
- > High heat and wear resistance for intensive use.
- > Ideal for professional and industrial applications.

Specifications

Diameter	2,0 mm
Length	45 mm
Number of pieces	2
Standards	DIN 338
Suitable for	Metal

Variants

Reference	Diameter	Length	Number Of Pieces	Standards	Suitable For
VIHS22	2,0 mm	45 mm	2	din 338	metal
VIHS22,5	2,5 mm	55 mm	2	din 338	metal
VIHS23	3,0 mm	60 mm	2	din 338	metal
VIHS23,5	3,5 mm	70 mm	2	din 338	metal
VIHS24	4,0 mm	75 mm	2	din 338	metal
