

ENDURANCE SDS-MAX TWIST DRILL BIT

VIBSDSMHE35520

This drill bit, specially designed for deep and demanding drilling, stands out for its twisted shape, which facilitates the extraction of debris through the flutes and the crossing of walls. Its robust construction, featuring tungsten carbide, ensures strength and durability, even under intensive working conditions. In addition, the excellent dust extraction capacity allows for fast and efficient progress, ensuring greater comfort and productivity.

Key features

- > Twisted shape, facilitating debris extraction;
- > Superior strength and durability thanks to tungsten carbide composition;
- > Ideal for intensive professional work.

Specifications

Diameter	35 mm
Fitting	SDS-Max
Length	520 mm
Size	35 x 520 mm

Variants

Reference	Size
VIBSDSMHE35520	35 x 520 mm
VIBSDSMHE40520	40 x 520 mm
VIBSDSMHE45590	45 x 590 mm
VIBSDSMHE52520	52 x 520 mm
VIBSDSMHE55590	55 x 590 mm
VIBSDSMHE65590	65 x 590 mm
VIBSDSMHE80590	80 x 590 mm
