

PERCUSSION COMBI DRILL 12V VIBSFL12

The VITO 12V percussion combi drill (VIBSFL12) offers excellent performance and versatility, ideal for both DIY enthusiasts and professional use. Equipped with hammer function and two speeds, it reaches up to 1300 rpm and 19000 impacts per minute, making it ideal for drilling into harder materials like concrete. The reversible rotation makes screwing and unscrewing easy and precise. This cordless drill is equally efficient on steel, wood, and metal, offering 25 torque adjustment settings, with Drilling, Hammer Drilling modes, and a Quick Stop system for increased safety and control. It includes two 2Ah batteries, 1 charger, 1 BMC carrying case, 8 drill bits, 8 screwdriver bits, and 1 magnetic extension, making it a complete solution for various applications.
