

## 18V CORDLESS PERCUSSION COMBI DRILL WITH 2 BATTERIES 2AH

### VIBSFL18

The 18V cordless hammer drill is a versatile and powerful tool, equipped with two 2Ah batteries for extended runtime and a fast charging time of just 1 hour. With two adjustable speeds (0-400 rpm and 0-1550 rpm) and a maximum torque of 56 Nm, it provides precision and power for a variety of applications. The drill features reversible rotation, allowing for easy screwing and unscrewing, along with 25 torque settings, ensuring optimal control for drilling into different materials: up to 13 mm in steel, 10 mm in concrete, and 30 mm in wood. It also includes a charger and a handy carrying case, making it the perfect choice for DIY enthusiasts and professionals, with long-lasting performance.

### Key features

- > Includes 2 lithium 2Ah batteries: No memory effect, ensuring longer durability and efficiency in the long run.
- > Variable speed and reversible rotation: Allows precise screwing and unscrewing, adapting to different types of tasks.
- > Quick stop: Provides greater user safety, preventing accidents during use.
- > Metal quick-release chuck: With spindle lock, facilitates fast bit and accessory changes, saving time.
- > 2 operating modes: Normal drilling and hammer function, ideal for harder materials like concrete.
- > LED charge indicator: Allows easy and practical monitoring of the battery status. LED work surface light: Ensures clear visibility of the work area, even in low-light conditions.

### Specifications

Battery capacity	2 Ah
Charging time	1 h
Concrete drilling	10 mm
Drill chuck capacity	13 mm
Height	305 mm
Impact drilling (hammer function)	Yes
Impact frequency - 1st speed	0 - 6000 ipm
Impact frequency - 2nd speed	0 - 22500 ipm
Length	305 mm
Lithium-ion battery without memory effect	Yes
Maximum torque	56 Nm
Metal drill chuck	Yes
No-load speed - 1st speed	0 - 400 rpm
No-load speed - 2nd speed	0 - 1550 rpm
Product weight	1.676 kg
Quick-stop function	Yes
Reverse rotation	Yes
Sound power level (LWA)	81 dB(A), k = 3
Speeds	2
Spindle lock	Yes
Steel drilling	13 mm
Torque adjustment positions	25 + 1 + 1

**Specifications**

Variable speed	<b>Yes</b>
Voltage	<b>18 V</b>
Weight with packaging	<b>3.496 kg</b>
Width	<b>100 mm</b>
Wood drilling	<b>30 mm</b>
