

SET OF 4 TROWEL AND SQUARE TOOLS

VIC4EE

VITO's Set of 4 Trowel and Square Tools is ideal for efficiently applying, smoothing and removing plaster in construction environments. This set offers versatility for professionals who want to plaster or finish renovation and construction work. The stainless-steel blades ensure strength and flexibility, while the ergonomic handles provide comfort and control during use, even for prolonged tasks.

Key features

- > Versatility guaranteed by the variety of trowel and square tools;
- > Durability and resistance guaranteed by stainless steel blades;
- > Ergonomic handle, ensuring prolonged comfort.
