

FARMER`S HANDCART (WITH BRAKE) VICA8

The VITO farm cart with brake is designed to support daily transport tasks in farms, gardens and rural areas. Its steel frame ensures durability, while pneumatic wheels improve stability on uneven ground. The integrated brake provides better control when stopping or parking the cart.

Key features

- > Load capacity up to 130 kg
- > Strong steel frame
- > Pneumatic wheels for stability
- > Brake system for controlled stopping
- > Ideal for farm and garden use

Specifications
