

METALLIC TOOL BOX - 90 PIECES VICMF90

VITO`s Tool Box (VICMF90) represents quality and versatility, bringing together 90 essential VITO tools for various maintenance and repair tasks, whether at home or at work. With high-quality tools such as a complete set of drive sockets, flathead screwdrivers, Phillips screwdrivers, combination wrenches, hex keys, hammers, hacksaw, measuring tape and several types of pliers. This metal tool box contains four carbon steel dividers, which guarantee high resistance to wear and impact, increasing durability.

Key features

- > **Complete and Versatile Kit:** Includes 90 VITO tools, ensuring you always have the right tool to hand;
- > **Organisation and Safety:** Equipped with 4 fixed dividers in the trays and a large tubular handle for easy transport. For added security, the tool box can be fitted with a padlock, ideal for keeping all your tools organised and safe;
- > **Compact and Portable Design:** With a sturdy structure and ergonomic design, this tool box offers practicality and easy transport, with a compact format that allows it to be stored in any workplace or at home.
