

CHAIN FOR MINI CHAINSAW - 1/4" - 32 DRIVE LINKS

VICMP1432

The Mini Chainsaw (Pruner) Chain, compatible with VITO`s VIBCMPC20 model, is designed to provide quick and safe cuts during pruning and garden maintenance tasks. With a 1/4" pitch and 32 links, this chain is perfect for fine and precise cuts, making it easier to work on smaller branches and shrubs. Suitable for both home users and gardening professionals, the chain offers long-lasting sharpness, allowing the mini pruner to maintain its performance even after extended use. Its robust design and high-quality materials ensure durability, wear resistance, and smooth operation. For more delicate pruning work, this chain is essential for anyone looking to keep their garden well-maintained and ensure the tool is always ready for efficient use.
