

SILENT OIL-FREE AIR COMPRESSOR 100L 8 BAR 4.0HP VICSOS100

The silent oil-free 100-litre compressor is designed for demanding pneumatic applications requiring higher air capacity, strong performance and reduced noise levels. The oil-free system delivers clean compressed air and significantly lowers maintenance requirements, making it suitable for indoor use. With a 100-litre tank and high air output, it supports continuous operation of pneumatic tools, making it ideal for painting, maintenance, cleaning and inflation in workshops. It is equipped with a safety valve and thermal protection to ensure reliable and safe operation. The robust structure includes fixed and swivel wheels, as well as a transport handle, allowing easy movement in professional work environments.

Key features

- > Silent operation with reduced noise level
- > Oil-free system delivering clean compressed air
- > 100-litre tank for intensive applications
- > High air flow for pneumatic tools
- > Reduced maintenance requirements
- > Safety valve and thermal protection
- > Robust structure with fixed and swivel wheels
- > Ideal for workshops and professional use

Specifications

IP code	IP20
Low-noise, oil-free motor	Yes
Maximum flow rate	472 L/min
On/off switch	Yes
Operating pressure	8 bar / 115 psi
Power cord length	1,5 m
Rotation speed	2850 rpm
Sound power level (LWA)	89 dB(A)
Tank capacity	100 L
Thermal protection	Yes
Output flow (0 Bar)	430 L/min
Output flow (4 Bar)	294 L/min
Output flow (6 Bar)	242 L/min
Output flow (7 Bar)	216 L/min
Rated power	4 cv / 3 kW
Supply voltage	230V AC 50Hz
Sound pressure level (LPA)	62 dB(A) (7m)
