

SILENT OIL-FREE AIR COMPRESSOR 50L 8 BAR 2.0HP VICSOS50A

The silent oil-free 50-litre compressor is ideal for users seeking power, low noise and minimal maintenance for pneumatic applications. The oil-free system delivers clean compressed air and reduces maintenance, making it suitable for indoor use. With a 50-litre tank, it provides sufficient air reserve for painting, inflation, cleaning and pneumatic tools. Safety valve and thermal protection ensure reliable operation. Wheels and handle allow easy transport in workshops and garages.
