

FOLDING STAIR CLIMBING SACK TRUCK 150 KG

VICTDE150

Featuring a sturdy, foldable frame, this sack truck can be easily stored in small spaces and is a safe and practical transport solution for overcoming uneven steps. To make it easier to move loads in areas with steps, this model is equipped with 2 triple swivel wheels for going up and down stairs, 2 side guards to protect the goods from contact with the wheels and a textured base with an anti-slip effect.

Key features

- > Capacity to transport loads up to 150kg;
- > Iron frame: ideal for delivering goods and/or orders without much effort;
- > Easy transport and storage;
- > 2 triple swivel wheels for going up/down stairs;
- > 2 side wheel guards to protect against falls;
- > Textured toe plate with non-slip effect.
