

ELECTRIC CHAINSAW 2000W - 455MM VIE2000

Electric chainsaw designed for wood cutting tasks, suitable for gardening, land maintenance and agricultural support work. It enables firewood cutting, branch pruning and outdoor clearing with stable and controlled performance. Fitted with an OREGON guide bar and a maximum cutting length of 400 mm, it offers good capacity for larger branches and logs. The 3/8 chain pitch ensures efficient cutting performance across different wood types. The oil tank includes a level indicator for easy lubrication monitoring during operation. Powered by 230 V / 50 Hz mains supply, it provides convenient use without fuel. Includes an integrated chain sharpener for quick maintenance, helping keep cutting performance consistent over time.

Key features

- > 2000 W power for efficient wood cutting
- > OREGON bar and chain for reliable performance
- > Up to 400 mm cutting length for versatile use
- > Oil tank with level indicator for easy monitoring
- > Integrated chain sharpener for quick maintenance

Specifications

Chain oil	H150 - 150 ml
Chain pitch	3/8"
Drive links	63
Oil tank with level indicator	Yes
OREGON chain guide bar	Yes
Sound power level (LWA)	111 dB
Watertightness	II
Dimensions	850 x 260 x 185 mm
Maximum cutting length	450 mm
Product weight	5 Kg
Weight with packaging	6 Kg
Engine	Electric
Packaging dimensions	515 x 300 x 200 mm
Rated power	2000 W
Supply voltage	230 V 50 Hz

Package Contents

- > x1 OREGON guide bar and chain
- > x1 Guide bar cover
- > x1 tool kit.
