

## NYLON RAIN SUIT WITH LINING VIFNFAL

Rain Suit with Lining is composed of a jacket and waterproof trousers, ideal for use in adverse temperatures. The jacket has two front pockets, a zip closure with button and elasticated cuffs. The trousers have an elasticated waistband and the bottom of the trousers can be adjusted to suit the wearer's needs. With a CAT.1 safety rating, this suit is easy to put on thanks to its lightweight fabric, thus allowing greater freedom of movement.
