

DOUBLE HOOKS - 6 UN.

VIGD6A

The hook set is suitable as a replacement accessory or complement for fastening systems used in luggage, cargo nets, tensioners and other compatible accessories. In addition, it allows fastening points to be restored or reinforced, helping to maintain the functionality of transport and storage equipment. With a double format, these hooks make it easier to connect suitable support points, allowing practical fastening in different applications. The set includes 6 units, offering a useful solution for maintenance, replacement or adaptation of accessories used in vehicles, workshops or workspaces.
