

PETROL CULTIVATOR 4ST - 420CC - 14HP - 650MM VIM14

Characterised by its power and high performance, this cultivator is prepared to carry out a variety of demanding tasks when working on soils and surfaces, providing a more uniform crop. In addition, it has 3 forward speeds and 2 reverse speeds, guaranteeing versatility and the ability to adapt to various types of terrain and agricultural implements. It also includes pneumatic wheels with traction that increase safety and provide a more stable displacement. To reduce user fatigue and increase comfort, this cultivator has adjustable and steerable handlebars, ergonomic rubber handles and an LED floodlight to help work in low light conditions. This cultivator also allows you to attach other agricultural implements(not included), enhancing its functionality for multiple tasks.: VIM14.A - Plough VIM14.AD - Double plough VIM14.ACOACE - Accessory coupling VIM14.ACOPMAQ - Machine coupling VIM14.C - Reaper 120cm VIM14.D - Flail mower 60cm VIM14.P - Levelling blade 100cm VIM14.EL - Sweeper brush 110cm VIM14.LN - Snowplough 100 cm

Key features

- > Power and efficiency, guaranteeing optimised performance;
- > Tines that make it easier to carry out agricultural activities;
- > Versatility ensured by the various speeds and implements;
- > Pneumatic wheels with traction, increasing safety and stability;
- > Comfort and ergonomics provided by adjustable handlebars and rubber handles.

Specifications

Engine	4-stroke combustion
Engine displacement	420 CC
Engine oil	15W40
Engine oil crankcase	1.1L
Fuel	Petrol
Fuel tank capacity	6.5L
Gear oil	1 L
Gearbox and tines oil	80W90
Power	14 cv / 10.3 kW
Rotation speed	3600 rpm
Sound power level (LWA)	101dB
Speeds	3 forward + 2 reverse
Tine diameter	310 mm
Tines oil crankcase	0,2 L
Transmission	Direct
Working width	650 mm
