

## PETROL TILLER 5 HP VIME5

Featuring a compact design, this machine allows you to work efficiently on smaller plots of land or domestic vegetable gardens. Equipped with a 3.7kW (5HP) engine and belt drive, it offers reliable and controlled performance in agricultural contexts. With a working width of 630mm and 260mm diameter tines, it ensures effective tillage, reaching adjustable depths between 100mm and 200mm, perfect for soil preparation. The 1L fuel tank ensures sufficient autonomy for light to moderate work, while its ergonomic design makes it easy to transport and use, even in the tightest spaces.
