

PETROL TILLER 7 HP VIME7A

The gasoline tiller with belt transmission 7hp | 5.2 kW from VITO (VIME7A) is the ideal solution for plowing and tilling small agricultural plots, combining power and efficiency in a lightweight and maneuverable design. With an adjustable working width between 700 mm and 850 mm, this tiller is designed to meet the needs of small farmers and gardeners looking to optimize their efforts in smaller areas. One of the highlights of this equipment is the quick adjustment of the front wheel, which allows for agile and safe movement, ensuring that the tines are not damaged during transportation. In addition, the tiller features an engine oil level sensor that provides safety and prevents engine damage by alerting the user when oil needs to be topped up. The three-speed gearbox (two forward and one reverse) offers versatility and control during operation, allowing the speed to be adapted according to soil type and work requirements. The tiller also includes high-quality tines and a depth regulator, ensuring precise and efficient cutting. With this tiller, plowing and tilling tasks become simpler and more effective, allowing users to maximize productivity in their agricultural activities. The combination of power, lightweight design, and smart features makes the VITO VIME7A an excellent choice for those looking for reliable and easy-to-handle equipment.

Key features

- > Light and manoeuvrable;
- > Quick front wheel adjustment;
- > Engine oil level sensor.

Specifications

Dimensions	870 x 1600 x 1100 mm
Product weight	82 kg
Weight with packaging	87 Kg
Engine	4-stroke combustion
Engine displacement	212 CC
Engine oil	15W40
Engine oil crankcase	0,6 L
Filter	Triple
Fuel	Petrol
Fuel tank capacity	3.6 L
Gear oil	1,4L
Rotation speed	3600 rpm
Sound power level (LWA)	98 dB
Speeds	2 forward + 1 reverse
Tine diameter	350 mm
Transmission	Belt
Working width	700 - 850 mm
Gearbox oil	80W90
Packaging dimensions	840 x 470 x 650 mm
Rated power	7 cv / 5,2 kW
