

POTATO LIFTER FOR TILLER

VIME7AB

The Potato Lifter is compatible with VITO models VIME7, VIMETD7, VIME7A, VIMETD7A, and VIMEDTD7A. Designed to make harvesting potatoes easier, this robust accessory allows you to remove potatoes from the ground with precision, minimizing physical effort and speeding up the harvesting process. With a height of 450 mm, a length of 580 mm, and a width of 260 mm, this lifter is strong and durable, weighing 5.196 kg. Easy to attach to compatible VITO motor tillers, it is the ideal choice for farmers looking to increase harvest productivity.
