

DOUBLE PLOUGH VIMEDTD12AARD

The Double Plough is compatible with VITO's VIMEDTD12 and VIMEDTD12A models, and offers the ability to open two furrows at the same time, making the planting process more efficient and faster. It is robust and made to withstand demanding conditions. Weighing 13,911 kg, this accessory is durable and provides greater yield in cultivated areas. It is the perfect tool for farmers looking to optimize time and improve productivity when preparing soil. Easy to attach to compatible VITO tillers.
