

PETROL TILLER WITH DIRECT TRANSMISSION - 7 HP

VIMETD7A

The VITO VIMETD7A petrol tiller with direct transmission is designed to meet the needs of farmers and gardeners looking for an efficient, durable and easy-to-handle machine. With a 212cc 4-stroke engine delivering 7hp (5.2kW), it provides an adjustable working width from 1050 to 1200mm, ideal for preparing small to medium agricultural plots. It features 3 speeds (2 forward and 1 reverse), an oil filter, oil level sensor and a quick front wheel adjustment system. Tilling depth can be precisely adjusted to suit different soil types. Its direct transmission ensures efficient traction and low maintenance.
