

MODULAR STORAGE TOOL BOX MEDIUM VIMMED

VITO's Modular Storage Tool Box Medium (VIMMED) provides convenience and durability with a modular system that is easily attached and detached, guaranteeing a quick assembly with the easy-click mechanism, allowing you to add the modules you want from the IRON range. The sturdy and comfortable reinforced metal handle makes it easy to carry, even with heavy loads. The metal front zips ensure extra security. The capacity of up to 39 litres and the IP65 rating allow it to be used in the most demanding jobs and environments. With a robust and impact-resistant structure, it can support a maximum load of up to 46 kg, making it an ideal choice for professionals looking for flexibility, quality, robustness and practicality.
