

## LAWNMOWER WITH TRACTION 5HP - 144CC - 480MM VIMR5D

This versatile appliance features three functions: rear discharge, side discharge, and mulching, allowing you to cut and collect in the bag, cut and discharge into the garden, or cut and mulch the lawn. Thanks to its Mulching system (soil coverage), green spaces become healthier through the use of natural fertilizers, which help to prevent weeds and protect the soil from adverse temperatures. The lawnmower, with its compact design, offers seven adjustable cutting heights and includes a 65-litre bag.
