

MAGNUM

CHAINSAW 55CC

VIMS55

VITO's 55cc Chainsaw from the Magnum range is the ideal tool for cutting thick trunks and large trees. Designed for demanding jobs such as cutting firewood in forests and pruning large trees, this model delivers superior performance and exceptional cutting efficiency. Equipped with a high-quality 500 mm guide bar from Oregon and a 78-link chain, it stands out for its durability and resistance to wear, ensuring an effective and consistent cut. The Walbro carburetor primer bulb guarantees reliable operation, and the easy oil regulation allows you to adjust the lubrication flow. With its anti-vibration system and soft handle, this model offers an ergonomic user experience, minimising fatigue and allowing more precise control while working. It also comes with a spare chain, guide bar cover, spark plug wrench and file, everything you need for its maintenance and longevity.
