

## CROSS-LINE LASER LEVEL 25M VINLLC25

With an accuracy of  $\pm 0.3$  mm/m and a range of up to 25 meters, this level ensures precision and efficiency in the palm of your hand, even in demanding measurements. Featuring a self-leveling system, it ensures automatic position correction. Additionally, the clear projection of green cross lines facilitates fast and accurate alignment and leveling. The level features an IP54 protection rating, making it suitable for demanding environments and resistant to dust and water splashes. Furthermore, its compact design enhances portability, making it ideal for both domestic and industrial applications.

### Key features

- > Accuracy of  $\pm 0.3$  mm/m, ensuring precise leveling;
- > Versatility ensured by the 25-meter range;
- > Integrated system for automatic position correction;
- > Suitable for indoor use;
- > Lightweight, compact, and practical;
- > Projection of green cross lines that facilitate alignment;
- > Magnetic support, promoting level stability;
- > IP54 protection rating, resistant to dust and water splashes;
- > Can be used with AA batteries.

### Specifications

Automatic self-levelling	<b>Yes</b>
Holder	<b>Yes</b>
Integrated 1/4" locking thread	<b>Yes</b>
Laser line width	<b>100 lux, 2 mm/5 m</b>
Laser output power	<b>Class 2 &lt; 1 mW</b>
Laser wavelength	<b>520 nm</b>
Leveling range	<b>3° <math>\pm</math> 1°</b>
Leveling unit locking	<b>Yes</b>
Line projection	<b>Yes</b>
Measure time	<b><math>\pm 5</math>s</b>
Measurement accuracy	<b><math>\pm 0,3</math> mm/m</b>
Power cord	<b>Yes</b>
Working Range	<b>25 m</b>
Autonomy	<b>&gt; 8 h</b>
Battery	<b>3.7V, 1000mAh</b>
Dimensions	<b>71 x 54 x 71 mm (Laser level only)</b>
Product weight	<b>235 g (Laser level only)</b>
IP code	<b>IP54</b>
Operating temperature	<b>10 - 50° C</b>
Voltage	<b>3,7V</b>

### Package Contents

- Carrying bag
- Magnetic mount
- 3.7V 1,000 mAh battery
- AA battery adapter
- USB-C cable
- 3/8"F to 1/4"M adapter
- Instruction manual
