

HIGH VISIBILITY POLO SHIRT

VIPOAVL

Made from breathable 100% polyester knit, the fabric ensures lightness, comfort and freedom of movement all day long. Thanks to its breathability and quick-drying properties, this garment has a greater ability to keep the body dry, even when carrying out demanding work. To ensure the wearer's safety, the polo shirt is equipped with high-visibility reflective strips, providing greater safety in low-light environments.

Key features

- > Lightweight, breathable fabric for added comfort;
- > Collar with two buttons;
- > Sewn-in reflective strips;
- > Quick drying, avoiding discomfort and the sensation of dampness on the skin;
- > High visibility certified according to EN ISO 20471 standards to ensure maximum safety.
