

BRUSHCUTTER 45CC - 2.2HP

VIR45

This machine stands out for its efficiency and resistance in agricultural contexts with demanding vegetation, allowing you to cut and thin quickly and conveniently, as it is significantly more powerful than traditional brushcutters. Its fuel tank capacity ensures long autonomy, allowing tasks to be carried out without interruption, optimising the user`s work and increasing productivity. In addition, the easystart system makes it possible to start work quickly and the anti-vibration system makes handling the machine more comfortable, helping to reduce user fatigue. This model is also equipped with an harness to support the brushcutter, promoting ergonomics and well-being when carrying out agricultural tasks.

Key features

> Wide cutting diameter: Allows you to thin and cut tall, dense vegetation efficiently;
> 2-stroke engine with 10,000 rpm: High power for easy mowing of areas with high undergrowth;
> 0.92 litre tank: Extended autonomy, reducing interruptions for refuelling;
> EasyStart system: Facilitates start-up, saving time and effort at the beginning of tasks;
> Anti-vibration system: Guarantees comfort during prolonged use, minimising fatigue;
> Support harness included: Greater ergonomics and comfort, improving productivity and reducing fatigue.

Specifications

Autonomy	**1,5 h**
Cutting blade width	**255 / 305 mm**
Multi-function control handle	**Yes**
Nylon line cutting width	**450 mm**
Nylon line diameter	**2.8 mm**
Rotation speed	**10000 rpm**
Shaft	**Aluminium**
Shaft tube diameter	**28 mm**
Shaft tube length	
Sound power level (LWA)	**114 dB**
Engine	**2-Stroke combustion**
Engine displacement	**45 cc**
Fuel	**Mixture - 1: 40 ratio**
Fuel tank capacity	**0.92 L**
Power	**2,2 cv / 1,6 kW**
Product weight	**8,7 Kg**
