

MULTIFUNCTION 4 IN 1 BRUSHCUTTER - 52CC

VIRMF52

VITO`s 4-in-1 multifunction brushcutter (VIRMF52) is a versatile tool, ideal for maintenance and land clearing purposes. A single equipment includes four different tools: a brush knife, a nylon line mowing head, a hedge trimmer blade and a chainsaw guide bar. This allows you to tackle any type of vegetation, from the finest grass to dense bushes and tree branches, all with a single machine. With a 2-stroke combustion engine and a cylinder displacement of 52cc, this brushcutter offers 2.15hp, guaranteeing excellent performance in a variety of tasks. This machine includes various accessories that allow it to be adapted to different needs. With the brush knife, it is possible to cut through dense vegetation such as small bushes and tall grass, making it ideal for more demanding jobs where the nylon line would not be efficient. The nylon line mowing head is mainly used for cutting grass, small weeds and vegetation, and is perfect for delicate finishes around trees, fences and walls. The brushcutter can also be equipped with a hedge trimmer blade, ideal for pruning and shaping hedges and bushes, allowing for precise, even cuts in gardens, parks and backyards. Finally, the chainsaw guide bar is designed to cut tree branches, thin trunks and other wood, making it useful for pruning trees and removing branches. With a fuel tank that offers autonomy of one hour, this tool is ideal for carrying out most tasks without the need for constant refuelling. The carrying harness that comes with it facilitates handling and increases comfort during prolonged use. Packaging content includes: 1 52cc multifunction brushcutter, 1 brush knife, 1 nylon line mowing head, 1 hedge trimmer blade, 1 chainsaw guide bar, 1 thrust plate for the cutting attachments, 1 support cup and fixing nut for the cutting attachments, 1 set of bolts, 1 hexagonal wrench (4 mm), 1 hexagonal wrench (5 mm), 1 double open-end wrench (8/10 mm), 1 screwdriver/Philips, 1 spark plug wrench, 1 case for tools and accessories, 1 bottle for the fuel mixture and 1 carrying harness.

Key features

- > 4 Tools in 1: a brush knife, a nylon line mowing head, a hedge trimmer blade and a chainsaw guide bar;
- > Power and performance for all tasks;
- > Efficiency and practicality;
- > Easy maintenance;
- > Precise and fast cuts;
- > Carrying harness included to ensure easier and more comfortable handling.

Specifications

Autonomy	1,5 h
Blade length	300 mm (Chainsaw)
Chain oil	H150 / 150 ml
Cutting blade width	255 mm
Cutting diameter	19 mm
Engine	2-Stroke combustion
Engine displacement	52 cc
Fuel	Mixture - 1: 40 ratio
Fuel tank capacity	1 L
Multi-function handle	Yes
Quick connection system	Yes
Rotation speed	8500 rpm

Shaft tube diameter	26 mm
Shaft tube length	1500 mm
Sound power level (LWA)	114 d B
Net weight (g)	5,792 kg
Weight with packaging	14,802 kg
Rated power	2,15 cv / 1,6 kW
Work modes	4 (brush cutter, pruning chainsaw, hedge trimmer)
