

SPECIAL EFFECT ACRYLIC SPRAY PAINT

VISAC

This spray paint is a versatile solution for decorative painting and surface renovation, providing a metallic, high-gloss finish. In addition, it can be used both indoors and outdoors. Suitable for DIY projects, personalising objects or restoring the appearance of different materials, it can be used on wood, metal, glass, cardboard, plastic, stone, and PVC, allowing you to work on a wide variety of surfaces. The quick-drying formula facilitates painting tasks requiring high coverage, helping to achieve a uniform finish with fewer coats.
