

SAFETY SHOE S1P WRU E1415 VISEW37

With a safety rating, S1P - Class I, it brings together several essential features for safety at work. Puncture resistant, slip resistant, oil and hydrocarbon resistant sole. Flexible with high impact absorption and anti-static properties. For all those who seek greater flexibility, comfort, environmental awareness and safety all day long, everywhere.

Key features

- > Manufactured using recycled materials (Tex Pet);
- > Quick ATOP closure system;
- > Ultra comfortable, reduces fatigue effect;
- > Flexible with high shock absorption;
- > Anti-static properties;
- > S1P SRC WRU;
- > Made in Portugal.

Specifications

Available sizes	37-46
Midsole	TPU + EVA
Midsole	Aramid synthetic fibre
Outer coating	Recycled fabric (TEX PET)
Safety Rating	S1P SRC WRU
Toe cap	Composite

Variants

Reference	Available Sizes	Midsole	Outer Coating	Safety Rating	Toe Cap
VISEW37	37-46	aramid synthetic fibre	recycled fabric (tex pet)	s1p src wru	composite
VISEW38	37-46	tpu + eva	recycled fabric (tex pet)	s1p src wru	composite
VISEW39	37-46	aramid synthetic fibre	recycled fabric (tex pet)	s1p src wru	composite
VISEW40	37-46	aramid synthetic fibre	recycled fabric (tex pet)	s1p src wru	composite
VISEW41	37-46	aramid synthetic fibre	recycled fabric (tex pet)	s1p src wru	composite
VISEW42	37-46	tpu + eva	recycled fabric (tex pet)	s1p src wru	composite
VISEW43	37-46	tpu + eva	recycled fabric (tex pet)	s1p src wru	composite
VISEW44	37-46	aramid synthetic fibre	recycled fabric (tex pet)	s1p src wru	composite
VISEW45	37-46	tpu + eva	recycled fabric (tex pet)	s1p src wru	composite
VISEW46	37-46	tpu + eva	recycled fabric (tex pet)	s1p src wru	composite
